

MORLEY POLICE STATION

23. Ms R. Saffioti to the Minister for Police:

I refer to the State Government's \$11.7 million commitment to upgrade Morley Police Station and to house 80 Police Officers in the new upgraded facility, and ask:

- (a) when will the upgrade be completed; and
- (b) which stations will the 80 Police Officers be sourced from?

Mrs L.M. Harvey replied:

- (a) Additions to the Morley Police Station forms part of the broader West Metropolitan District Accommodation Upgrade Program. It is anticipated the Morley Police Station upgrade works will be completed in 2014.
- (b) Resources are principally allocated at a District level and District Superintendents deploy these resources within their District to provide the best possible policing service to meet operational requirements and the varying needs of the community.
